Bhakta Charan Das DO. MP/LS/942/14

Member of Parliament, Lok Sabha, Kalahandi

Respected Sri Ghulam Nabi Azad ji,

This is in continuation of the letter (DO No. MP/LS/891/13) written by me to your good self dated 06.09.2013 regarding the inclusion of MTNL absorbees for the CGHS benefits. As I mentioned in my previous letter also that both BSNL and MTNL were previously under the DOT. The DOT employees who opted for BSNL were given options to avail either their own medical facility or the CGHS benefits whereas the MTNL employees were deprived of the CGHS facility. As both the PSUs got bifurcated from the same association, it is reasonable that both should be extended the similar sort of facility.

I request you to kindly take up this issue with the concerned ministry/department and provide an option to the erstwhile DOT employees who opted for MTNL to choose between their own medical benefits or the CGHS alike the BSNL employees. Relevant papers are attached for reference.

With warm regards,

Yours,
