Sub : CGHS facility for DOT recruited employees absorbed in MTNL.

Hon'ble Sir,

Kindly refer the discussion held between your good self and our representatives on the issue mentioned above. The basic points that we want to bring to your kind notice is that :

1. DOT employees absorbed in BSNL, who are similarly placed, were given an opportunity to opt for entitlement of medical facility under CGHS scheme at the time of absorption. Whereas, DOT employees absorbed in MTNL were deprived of the scope of such option.
2. Same absorbees of MTNL were given the benefit of CGHS on retirement. But subsequently this benefit was withdrawn leaving the rest of the absorbees of MTNL deprived in this respect.
3. The difference between the employees of other PSUs and the absorbees of MTNL is that the absorbees were originally entitled for CGHS while in DOT. The CGHS facility was withdrawn from them on absorption.

Thus, the case of MTNL employees is not comparable with that of so called other PSUs. We enclose our letter addressed Sh. Gulam Nabi Azad, Hon'ble Minister for Health and Family Welfare for your kind persuasion of this important issue please.

Thanking you,

Yours faithfully,

(A.K., Kaushik)
