To

The Chief Engineer (Electricals),
Mahanagar Telephone Nigam Limited,
New Delhi.

Sub: Non functioning of Centralized AC in Kidwai Bhavan.

Sir,

With due regards we would like to draw your kind attention towards centralized AC plant of Kidwai Bhavan which is non operational fully as yet despite the full onset of summer season. As a result of this FMS Section at 8th floor Kidwai Bhavan which is dealing with all areas with heavy attendance most of the times has become unbearably hot and virtually very difficult to sit and work for full duty. In addition to this medical section and VCC unit at 8th floor is also boiling due to non working of centralized AC plant since there is no alternate arrangement available to get respite from scorching heat of Delhi.

It is therefore requested to look into the matter on priority and direct the authorities concerned to either make centralized AC plant functional or arrange to provide window/split ACs to FMS, Medical & VCC unit like done in the case of IT unit at 9th floor Kidwai Bhavan to enable the staff to have atleast comfortable working environment.

An early action in the matter shall be highly appreciated.

Yours truly,

(RAM GOPAL)

Circle Secretary, TEAM Delhi.
