Subject :- Medical Facilities in MTNL.

Sir,

The ongoing medical facilities available for both the employees and the retirees are unsatisfactory, to say the least. Our considered opinion is that the CGHS Medical facilities should be made available for MTNL employees who are predominantly of Govt. recruits subsequently absorbed in MTNL as a matter of Government policy.

It is learnt that Management has decided for calling for open tender for appointment of Insurance company. This will be counterproductive as the very mind set of the Insurance company and TPA is to make profiteering at the cost of the beneficiaries. The nexus between Hospitals and TPA on one side and TPA and a section of Management on the other will make the things worse.

Mere adopting bidding recourse will not materially change the aspects of benefits to the beneficiaries. It will be "Old wine in the new bottle" sort of phenomenon.

Therefore, our suggestion is to implement CGHS Medical facilities for the MTNL employees and to start with, for the intervening period, let there be MTNL's own in house Medical Scheme as it was earlier at the time of absorption.

With Regards,

Yours, Sincerely

(A.K.Kaushik)
