**Subject :- Merger of MTNL and BSNL.**

Hon'ble Sir,

The entire lot of telecom employees are aware your valuable and effective stewardship as a Minister in this field. It is undisputed and unparalleled, to say the list.

In MTNL, we the 60000 employees and their families will remain ever indebted to you for your satisfactory sorting out the MTNL pension issue and Refund of BWA Spectrum payment.

We are also aware that you are sincerely engaged to sort out the other important factors that hinder formidably in the path of revival of MTNL/BSNL and get their financial viability back on the anvil. Definitely, THE ISSUE OF MERGER OF MTNL AND BSNL IS ONE SUCH ISSUE.

There are certain section of vested interests both inside and outside of MTNL/BSNL who try to pose that such merger is an impossible proposition. They used to propagate such view for MTNL pension issue also. Your decisive action has failed them as far as MTNL pension issue is concerned. We are definite, you will fail them once again in the issue of merger. MTNL employees can't forget the fact that during the regime of NDA Government at the center, MTNL was almost threatened to be disinvested.
