Following points were discussed :-

**1. Posting of MTNL recruited JTO's at Transmission Station :-**

Association representatives pointed out that the new JTOs should be posted in Transmission Stations / Cable maintenance network as the existing executives are in the age group to 45 years to 55 years. They also pointed out that the work of optical fibre splicing, liaison with civic agencies etc. requires young and energetic people and therefore new recruited JTO's should be posted in Transmission. GM (Transmission) informed that the matter has already been taken up with GM (A). He suggested that the association may give specific requests of JTO's who are willing to work in transmission area so that the case may be taken up with GM (A).

**2. Shortage of Vehicles in the field :-**

The association representatives pointed out that there is acute shortage of vehicles in several transmission divisions. They specially pointed out the case of SHD Division. DGM (T-NTY) intimated that the vehicles of SHD Division has gone faulty and efforts are being made for repairing it. In the meantime DE (TX-LN) will made available one vehicle, on demand, for SHD Division.

**3. Non availability of Store Items :-**

The association representatives pointed out that the basic store items like joint enclosure and OF Cable sized 24 F / 48 F/96 F are not available in Transmission Store.

GM (Transmission) informed that the tender for purchase of OF Cable is done by the corporate office. He also informed that the tender for joint closure is in process and in final stage. Regarding the OGR / ICR, PCM Cards, GM (T) suggested to repair these cards on quotation basis.

**4. Non availability of spares with Tejas Engineers at the time of faults:-**

The association representatives pointed out that whenever faults reported for Tejas make transmission equipments, the Tejas Engineers doesn't bring sufficient spares with them as per the faults requirement. GM (T) informed that the matter has already been taken up with the Tejas management and they assured that the spares will be provided to the engineers for attending the faults.

**5. Acute shortage of Testing Instruments like Power meter, OTDR etc.:-**

It was informed that purchasing of new testing instruments in done by the Corporate office. However, the repair of faulty instruments may be repaired strictly one by one on need basis.

**6. Issue of New Identity Cards :-**

AGM (T) informed that new I/Cards have been prepared and will be delivered to executives in a weeks time.
